

ALPHA OMEGA

CHARDONNAY

Napa Valley

Our Chardonnay is naturally fermented, unfiltered and unfiltered. The integration of six different clones of Chardonnay brings unique characteristics to this multifaceted wine. We achieve precision and balance by an 18-month aging process in French oak with constant stirring. The result is an elegant and finesse driven Chardonnay that embodies Meursault with a California accent.

ALPHA OMEGA

CABERNET SAUVIGNON

Napa Valley

Blending Cabernet Sauvignon grapes from top flight vineyards such as Beckstoffer To Kalon, Beckstoffer Missouri Hopper and Beckstoffer Las Piedras, we designed this to be enjoyed now or over the next two decades. As the core varietal of Napa Valley, our Cabernet Sauvignon possesses concentration, freshness and acidity.
