

MATERRA

CUNAT FAMILY VINEYARDS

This is a very approachable Merlot that expresses ripe plum, cocoa-dusted raspberries and sage. Additional aromas include pie cherries, tobacco and Darjeeling tea. An abundance of soft grain tannins provide a well-structured youthful wine with bright acidity.

MATERRA

CUNAT FAMILY VINEYARDS

This Cabernet exemplifies classic Rutherford Dust characteristics with fine dry tannins resulting in flavors of black cherry, dark cocoa powder and earthy tones for a smooth and balanced finish. Pair with braised short ribs, seared duck breast with blackberry sauce, or roasted asparagus with mushrooms.
