

ROLF BINDER

BAROSSA VALLEY

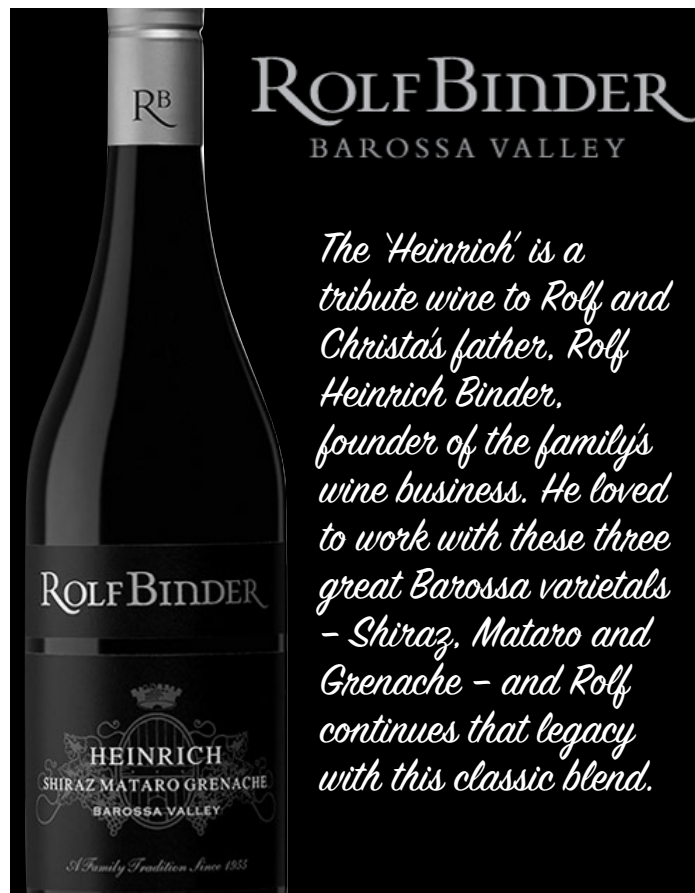

A crisp, elegant style of Riesling exhibiting a fresh aroma with hints of fresh lemon and lime. The sensation of abundant citrus characters offers a youthful and fresh palate with good depth of fruit and drying acidity.

ROLF BINDER

BAROSSA VALLEY

A collection of five Barossa Valley Shiraz vineyards contribute varying characteristics of fruit to this wine. The Shiraz makes up only 90% of the final blend, with juicy confectionary and red cherries hailing from a very small percentage of Grenache and estate-grown Mataro offering a deep, earthy background on the palate.

ROLF BINDER

BAROSSA VALLEY

The 'Heinrich' is a tribute wine to Rolf and Christa's father, Rolf Heinrich Binder, founder of the family's wine business. He loved to work with these three great Barossa varietals - Shiraz, Mataro and Grenache - and Rolf continues that legacy with this classic blend.
